

Education: Bachelor's degree

Work experience: 5 years

Language skills: English

Job Summary

Contract Type: Full time

Qualifications

Proven experience as a Product Designer or a similar role, demonstrating a strong portfolio of successful design projects.

Excellent proficiency in the Adobe Suite, including Photoshop, Illustrator, and InDesign, with a keen eye for detail and strong typographic skills.

Good sketching skills. Being able to visualize and present a concept on paper.

Solution oriented and the ability to create user-centered designs.

Exceptional creativity, combined with the ability to effectively communicate design concepts and ideas.

Strong time management skills, with the ability to handle multiple projects and meet deadlines in a fast-paced environment.

Excellent communication and collaboration skills, with the ability to work effectively in a team setting.

A passion for design, an eye for detail, and a commitment to delivering exceptional work.

Good skills in 3D modeling and rendering using Blender, Solidworks or Rhinoceros (experience in other 3D software will also be considered).

Experience with designing physical products.

Up to date on latest design trends and techniques

Responsibilities

Collaborate with cross-functional teams, including marketing, product development, and engineering, to understand project requirements and design objectives.

Create and execute visually appealing designs for various marketing campaigns, including digital and print materials such as brochures, posters, social media graphics, and website assets.

Develop and enhance user interfaces (UI) and user experiences (UX) for our products, ensuring intuitive and delightful interactions.

Utilize your expertise in 3D modeling to contribute to design projects involving Blender and Rhinoceros 3D, adding a unique perspective and solutions to our products.

Stay up-to-date with industry trends, design techniques, and software advancements, bringing fresh ideas and innovative approaches to the team.

Contribute to the establishment and maintenance of brand guidelines, ensuring consistency across all visual assets and communications.

Participate in brainstorming sessions and design reviews, actively contributing to the creative process
